Obama attended a roundtable with business leaders, accompanied by Valerie Jarrett, Mike Froman and Gary Locke.

Several Indian and American business leaders sat around a u-shaped table. They stood up when the president walked in at 3:40 p.m. He made his way around the table shaking hands.

"I was just reading about your company," Obama told one of them. "You're doing good work."

The pool was ushered out as the group began its meeting.
